HIGH SCHOOL NOTES.

Various Classes and Individuals Giving Pictures to the School. Seniors Meet and Juniors Elect Officers. Prize Speaking.

In Robert N. Richmond's furniture store are ten valuable pictures bought by the subscription of the members of various classes of the past few years, and by individuals, to present to the new high school building. They are all large solar prints of various historical events and places and are neatly framed in oak. The seniors held a business meeting Wednesday afternoon but did nothing important. The juniors have organized and elected the following officers: President, William Dunn; vice-president, Michael Kling; secretary, Miss Jessie Fairfield; treasurer, Miss Edith Hall. The third division of contestants for the school medals, which will speak Friday afternoon, is made up as follows: Anna Barrett, Edith Hall, John Kelly, Susan Streeter, Harry Morton and May Sullivan.

Drake-Snow.

Miss Nettie Drake, daughter of Mr. and Mrs. James F. Drake, and Amos D. Snow, both of Zylonite, were united in marriage at the home of the bride's parents at that place Wednesday evening. Rev. H. B. Foskett, pastor of the Baptist church, performed the ceremony, which took place at 7:45 o'clock in the presence of about forty friends and relatives in the front parlor of Mr. Drake's home. Miss Emma Sheldon, the bride's niece, was her maid and the groom had for his best man his son, Arthur Snow. Miss Drake wore a serge dress, green and brown in color, and Miss Sheldon was attired in green with a white organdie overdress. The home was very tastefully trimmed with evergreens and potted plants. After the ceremony a reception was held, after which Mr. and Mrs. Snow repaired to his home, where they will reside.

Reading Clubs Meet.

Mrs. F. H. Burt entertained the Home Reading club at her home on Orchard street this afternoon and various authors were discussed. The Thursday afternoon club, which met with Mrs. Frank A. Richmond, carried out this program: Roll call; essay on Sir Walter Scott; Miss Celia Richmond; reading from Chautauqua, Mrs. James Renfrew; current literary events, Miss Libbie Stoddard.

E. A. Green Sells Out.

E. A. Green, the shoemaker, has sold out his business, which is located in the Smith block on Center street, to S. B. Thing & Co., who were formerly located in North Adams. Mr. Green has been identified with the store for many years. He bought it from D. R. Smith, for whom he acted as clerk a long time.

Machinery Sale Continued.

The sale of woolen machinery from Phillips' mill, to satisfy unpaid taxes, which was advertised to take place at the tax collector's office Wednesday morning, was poorly attended and was continued until Saturday. Sheriff O'Brien will conduct the sale.

To Furnish the Police Station.

The selectmen held a special meeting at the town hall Wednesday evening to look over the bids of furnishers who desire to furnish the new police station. They granted the contract to R. N. Richmond of Dean street.

A Property Transfer.

The house of the late John Meigs on Friend street, Renfrew which reverted after his death to his brother, William Meigs of Stotsville, N. Y., has been sold by the latter to Thomas McKillop. The consideration was \$1200.

L. A. Weston has started putting in new heating apparatus at the Adams house.

Daniel Keegan is in New York on business. James T. Baker is on the sick list. Mrs. John S. Bordelleau had as her guests Wednesday her mother, Mrs. Perreault, and her sister, Mrs. Durant, Mrs. Bellevue and Mrs. Demaris, all of North Adams.

The revised voters' list will be issued from O. G. Boorn's office Friday. Henry Brock and Herron E. Robinson returned to New York city Wednesday. The White Platoon and a large number of citizens attended the rally in Pittsfield Wednesday evening. A little daughter of John M. Burke got a small stone into one of her nostrils Wednesday and was caused considerable annoyance until it was removed by Dr. A. E. Boorn. Families are beginning to move into the Berkshire company's new blocks on Jordan street.

CHESHIRE.

Oyster Supper.

The gentlemen members will treat the ladies of Greylock division, Sons of Temperance, to an oyster supper Thursday night.

Foot Ball Game.

A foot ball game will be played Saturday afternoon by the first and second teams.

E. Prentiss Bailey and Arthur Brand of Utica, N. Y., who are making a tour of the Berkshire's on a tandem, were in town today. Another meeting of the Cheshire Athletic association will occur Friday evening in the S. H. S. rooms. Mrs. Fred Kingsley and son, Wright, and Mrs. Alfred Lovejoy of Pittsfield have been visiting friends in town. Mrs. William Martin of Berkshire is the guest of Mrs. George Martin. Several of the townspeople attended the Republican rally in Pittsfield Wednesday night. Mr. and Mrs. Edward Foster and two children of Lanesboro are at W. B. Dean's. A cottage prayer meeting will be held at the house of George Perkins in East Cheshire Thursday evening. Mrs. Samuel Tanner and Mrs. Albert Jones and son of Adams were visiting relatives in town Wednesday.

GREYLOCK.

Fred Schouler is quite sick with quinsy. Jennie White is sick with typhoid fever. Don't forget the business meeting of the McKinley and Hobart club tonight at 7 o'clock. A full attendance of members is requested.

BRAYTONVILLE.

Charles Green, formerly of this place, and Miss Ola Eddy, were united in marriage today at Rutland, Vt., the home of the bride's parents. The football game Saturday afternoon between the Druids of Blackinton and a team from here resulted in a victory for the Braytonvilles by a score of 1 to 0. The final game will be played on the fair ground next Saturday, and as each has won one game some good playing may be expected. A daughter was born today to Mr. and Mrs. George D. Lewis.

POWNA.

An illustrated lecture will be given at the Methodist church Friday evening for the benefit of suffering Cuba. The condition of the island will be shown by 150 good views and the story of the horrors of the war will be interestingly told. Admission 15 cents; children, 10 cents.

READSBORO ITEMS.

Victor Girard of Mountain Mills visited his brother Charles over Sunday. Thomas Flascchetti, solo cornet player in the Italian band, has moved to North Adams. Increase Whitney from the soldiers' home in Bennington was in town Monday a short time. The pulp mill was shut down for repairs last week, but started again Monday. New grinders were put in. Mrs. F. J. Lackey and son, John Lackey of Stratton, visited from Thursday until Tuesday with her daughter, Mrs. A. W. Harrington. The balliffs have put a gate in the water main near Eli Dupereault's. It was thought the pipe had become clogged but nothing was found out of the way. A bill has been introduced in the legislature to allow incorporated villages to appropriate money for public band concerts. Probably this is as far as the bill will ever get though many with less worthy objects will find no trouble in being passed. No time should be lost in building a tight board fence around the reservoir on Jarvis hill. There is not a fence of any kind and the cattle, feeding in the lot, have free access to the water. Either the cattle should be charged water rent or else a fence built that will keep them out. A poverty solembe was given Wednesday evening by the W. R. C. at their lodge room in Odd Fellows' hall. A short entertainment was given. In the language of the bills this takes in the hall thing. Rules and Regulations: Fines for ladies--A knicker dress, no lace; no apron, one cent; white apron, one cent; trimmed apron, one cent; gold framed glasses, two cents; finger rings, one cent each; new dress (not knicker), one cent; silk dress, two cents; chewing gum, one cent; beans, two cents; ornaments, one cent. Fines for gentlemen--Blackened brites, one cent; cigars in pocket, one cent; lied hair and waxed mustash, two cents; bled shirt and dude collar, two cents; white kerchief, one cent; goat or boy with curled hair, one cent; onion breath, two cents. Community of inspectabun, II. F. Jewell, M. J. Pike, Frank Keyes and A. W. Harrington; community to introduce strangers and look after bashful fellows, George Bailey, Sophie Fay and Mrs. Minnie Harrington.

JACKSONVILLE.

M. A. Brown went to the "Hub" last week soliciting orders for jell. Ernest L., son of J. W. Souder, M. D., of Whittingham, is living with C. P. Dix. Orrie and Edd. Canedy were in town last Saturday. C. H. Grosbeck of Whittingham was in town last week. Fred Canedy and wife of Michigan, who have been visiting friends and relatives here the past summer, are to return to their home in the near future. Quite a few of the "boys" are contemplating taking in the excursion to Boston November 4. Go light with the beer boys. Jim Jacobson is as work for W. A. Brown on the H. H. Faulkner property. A party of four young people of this place had a whist game last Friday evening. E. W. Corkins spent Sunday in Hartwellville. There was a game of baseball on Barker's flat last Saturday afternoon between the "hillbills" and Sadeauga which at the end of six innings resulted in a score of 7 to 1 in favor of the "hillbills." C. W. Reed who is working for F. W. Pennington of Colrain spent Sunday in town. A Sunday school was organized at the Universalist church on Sunday last and the following officers were elected: Miss Ellen Cherry, president; Miss Neva E. Corkins, secretary and treasurer; Mrs. Martin A. Brown, superintendent; Miss Velina Canedy, librarian; Miss Etta E. Waste, assistant librarian; Miss Rena Faulkner, organist; William Brown and Floyd Reed Penny, collectors. Sunday school to be held every Sunday at 11:30 a. m. The hotel arrivals for the week are as follows: George M. Bemis, Readsboro, Vt. Nial Bemis, Athens, Vt.; G. G. Babcock, Portland, Me.; O. R. Ramsey, Brattleboro Vt.; D. S. Grout, Brattleboro, Vt.; E. H. Moore, Bennington, Vt.; C. C. Nowell, Worcester. E. A. Temple and wife have returned from about a month's visit to Virginia. On Saturday night the little five-year-old daughter of Daniel L. Gallup was called home to Heaven. She had been an invalid since a baby, having first been afflicted with a spinal trouble for which she was sent to a hospital in Worcester and returned home as incurable only a few weeks prior to her death. The physician who attended her last illness pronounced heart trouble the cause of her death. It is to be lamented that one so young and patient should be taken away. The grief-stricken father and grandmother have the sincere condolence of the entire community.

WHITINGHAM.

There has been considerable overhauling and improvement done in No. 9 district. Amos Pike has built a fine two-story annex to his "Hill Side" cottage and has finished it inside in modern style, which makes it attractive and home-like. May he live long to enjoy it. Mrs. Eliza Chase has returned from her visit to Bennington. Calvin Baker, who has been absent in East Tisbury several weeks, returned home Saturday.

STRANGERS NOW.

They Parted and the Pain of it Went With the Parting. A North Adams Citizen is Happy Now.

"Parting"--a word of sorrow generally. Exceptions, yes; Sometimes 'tis joy. Parting with friends may be painful. But parting with pain must be joyful. For instance, a pain in the back. Not a friend you will say. On, no, but it sticks like one. Hard to shake off a bad back. A back that is lame is weak is aching. It's really a friend in need. It's warning you of danger to come. It's the kidneys talking trouble. Kidneys are near the small of the back. And if the kidneys are troubled, so is the back. Heed the warning backache brings. Or things more serious follow. Urinary troubles, Diabetes, Bright's disease. Part with them before it is too late. Bad back and a North Adams lady are now strangers--they parted. Mrs. Robt. Bennett of 21 Chase avenue had not the same lengthy acquaintance with her annoying companion as some of her fellow citizens yet the separation was just as enjoyable. "Last winter" she says, "was the first time that I suffered from any serious kidney trouble. It developed into a backache with frequent sharp pains over my kidneys as if I were grabbed with a darning needle or a bad awl. They were simply excruciating and I really think if they had lasted with the same intensity for an hour it would really have taken my life. Urinary trouble followed. Dark deposits and undue inclination. This was not only annoying but it reduced my strength. Some one advised me or from reading about Doan's Kidney Pills I was prevailed upon to get a box of Buringham & Darby's. I am very grateful for the relief obtained. I found them just as represented. They cured me. I have not felt a sharp twinge nor have I had any annoyance from the urinary difficulty." Doan's Kidney Pills are sold for 50 cents per box; for sale by all dealers; sent by mail on receipt of price by Foster-Milburn Co., Buffalo, N. Y. Sole agents for the United States.

UNCLE SAM'S NAVY
Chief Constructor's Report Shows
a Total of 110 Vessels.
THIRTY OF THESE ARE ARMORED
Eight Battleships and Twenty-three Steel Cruisers Now in Commission--Naval Vessels Now Under Construction.
Washington, Oct. 29.—Chief Constructor Highborn's annual report shows a total of 110 vessels in the navy, of which thirty are armored, including eight battleships, two cruisers, one ram, six double turret monitors, all of which are in active service prepared for offensive or defensive operations, and thirteen single turret monitors which might be utilized in the harbors in which they now lie. Three other armored battleships are now under construction. There are twenty-five new steel cruisers also in commission, in addition to the three special class vessels of the navy—the Banefero, Dolphin and Vesuvius. These are unarmored, as are the sixteen iron and six wooden sailing vessels still carried on the lists. Three torpedo boats are in use and fifteen under contract. The other vessels building are six gunboats, one submarine boat and fifteen torpedo boats. Twelve tugs are also included in the naval force and eighteen old ships unit for sale, which, however, are utilized for various purposes, such as training vessels, naval reserve and as receiving ships. In compliance with law for the increase of the navy, Engineer in Chief Melville and the chief constructor unite in a statement that \$5,925,359 must be appropriated for 1907, which, with \$8,287,503, the balance in the treasury, is required for existing contracts.

E. J. JENKINS' DOWNFALL.
The Disbarred Boston Lawyer at One Time
Stood High in His Profession.
Boston, Oct. 29.—Edward J. Jenkins, who was yesterday disbarred as the outcome of charges preferred by the Boston Bar association, was one of the most prominent among the lawyers of this section of the state. His business was largely in connection with the settling up of estates, and the charges brought against him by the bar association were formed upon alleged irregularities in some such transactions. The specifications stated that he was not of good moral character, that he was guilty of deceit, malpractice and other gross misconduct. Judge Gaskill found that nine of the charges which the bar association set forth against the respondent had been sustained by the evidence. The respondent did not make any evidentiary defense, and in fact did not put in an appearance at the hearing at all, his counsel claiming that he was too ill to attend.

More Gold Arrives.
New York, Oct. 29.—The White Star steamship Teutonic, which arrived from Liverpool yesterday, brought \$3,190,100 in gold consigned as follows: Lazard Freres, \$1,522,900; W. R. Crossman & Bro., \$307,640; Bank of British North America, \$498,000; National City bank, \$329,500; Adams Express company, \$103,000; L. von Hoffman & Co., \$15,000. The gold consigned to the National City bank is said to be for one of its country customers, and the gold for the Adams Express company is likewise believed to be for a country bank. It is expected that most of the gold on the Teutonic will be deposited in the sub-treasury for examination and verification, but that not much if any of it will be added to the treasury's net gold reserve. Messrs. Muller, Schall & Co., bankers of No. 54 Wall street, will receive \$500,000 in gold to-day by the steamship Segura from Havana.

To Receive Election Returns.
New York, Oct. 29.—The committee-men at republican national headquarters are giving their attention to-day to the preparations for receiving the news on election night. Workmen are putting in telephones and telegraph wires and the press bureau is getting ready to handle the returns. The routine work is practically suspended. Campaign Committee Chairman
Campaign received last night additional tele-graphic mail reports from state com-mittee chairmen as follows: New York—Letters from farming sections of New York state and the enthusiasm of working class in metropolis afford ample assurance of victory for Bryan. Farmers are offering lands and crops to our silver party committee for the cause. O'Brien democracy hold 200 democratic meetings this week. (Signed) Alex. Delmar, provisional chairman, state committee national silver party, and Frances M. Bixbey, for young democracy. Pennsylvania—Pennsylvania is making a great battle and is not surely republican. Great silver gains reported from all the agricultural counties and our mining counties are ablaze with enthusiasm. While we have now but two congress-men, we expect to have ten or twelve to help President Bryan carry out his proposed reforms. New Hampshire—The Bryan and Sewall ticket is gain-ing strength in New Hampshire. Wherever our speakers go we hear of converts and we shall carry towns that never were democratic before. The result in both our congressional districts is very doubtful and the chances are more than even for the election of the democratic candidate for governor. The Palmer and Buckner vote will be so small it is not worth mentioning.

EGG THROWERS RELEASED.
Mr. Bryan Plunders for Them—To Be Dis-missed in Disgrace from College.
Chicago, Oct. 29.—On learning of the arrest of the two young men charged with being implicated in the egg-throwing incident of Tuesday, Mr. Bryan wrote County Chairman Gahan as follows: "I wish you would ask for the release of the boys arrested for throwing eggs. I am sure it was an act of thoughtlessness, and their arrest has doubtless been a sufficient lesson to them and others." On the strength of this plea the police released Foster and Hanchett from custody with a warning not to offend again and the young men were taken home by their fathers. Foster admitted to the detective that he bought a dozen fresh eggs to throw at the procession when the Bryan carriage passed the business college. Half of the eggs were thrown before the youths took flight and ran from the room. Mr. Powers, the proprietor of the school, will assemble all the instructors and pupils this afternoon and publicly dismiss the egg throwers in disgrace from the school.

MCKINLEY'S VISITORS
Big Crowd of His Own Townsmen
Call at His Home.
AFFECTED AT THE DEMONSTRATION
Organization of a Ladies' McKinley Club of Canton—An Estimate of the Republican Plurality in Ohio.
Canton, O., Oct. 29.—All Canton was divided into two parts last evening, those who marched to Major McKinley's house and those who viewed and cheered the marching throngs. The business men of Canton, irrespective of party, announced a few days ago that on Wednesday, about sundown, they would call in a body on Major McKinley. Last night they made good their promise, and they were joined in their demonstration by most of the other men in the city. About 5,000 men formed in line and marched with banners and bands to the McKinley residence just as it was about to be closed. Just as they gathered in a solid phalanx in the street around the candidate's home. There were acres of people. Major McKinley was visibly affected and there was a thrill of emotion in his voice when he spoke. Introductory remarks were made by Alexander Hurford, one of Canton's most venerable business men, and by W. W. Clark. Then the cheering for McKinley commenced. It was the most engaging and inspiring scene of a day that had been crowded with pleasant and interesting incidents. Major McKinley addressed the gathering at some length, and his remarks were often interrupted with applause. At a meeting last evening the Ladies' McKinley club of Canton was organized. The club will call on Major McKinley Saturday. The Canton troop called formally on Major McKinley earlier in the day, and through their captain addressed some words of greeting to Major McKinley, who responded pleasantly. Among Major McKinley's callers were ex-assistant postmaster-general James N. Tynar of Washington, Judge A. C. Thompson of Portsmouth, O., ex-auditor of state E. W. Fox of Columbus; ex-Lieutenant-Governor Richards of Steubenville, and C. A. Carlisle of South Bend, Ind.

Estimate 86,800 Plurality in Ohio.
Canton, O., Oct. 29.—Joseph P. Smith, an expert in Ohio politics has compiled a detailed estimate of the plurality which each county in the state will give on Tuesday next. He has derived his information from sources independent of those drawn upon by the state committee and gives the name of his correspondent in each county. Mr. Smith thinks the republican counties of the state will give McKinley a plurality in the aggregate of 113,000, and that the democratic counties will give Bryan pluralities amounting to 26,700, making a minimum plurality for McKinley in this state of 86,800.

Killed Himself Over Politics.
Hammond, Ind., Oct. 29.—Goaded to a frenzy by the taunts of neighbors because he declared he would vote for McKinley, private John Protowsky, formerly of Company F, Fifteenth regiment, United States army, committed suicide at his home in West Hammond yesterday after attempting to kill his wife and baby. Several years ago, while home on a furlough, Protowsky killed two Polish highwaymen who attempted to kidnap his bride on the morning of the wedding. He left a note inscribed with these words: "John Protowsky will fight with his blood for McKinley."

A Nephew of Gen. Lee for McKinley.
Washington, Oct. 29.—The following bulletin has been given out at republican headquarters: "Cassius Lee, a nephew of Gen. Robert E. Lee, a resident of Fairfax county, Virginia, and Washington, has come out for the republican ticket. Mr. Lee has organized a McKinley club in Fairfax county numbering 100. He believes that the sound money sentiment in the old dominion is growing in a most extraordinary manner, and says that unless all indications fail Virginia will go for McKinley."

The Question of Gleason's Naturalization.
Albany, Oct. 29.—Attorney-General Hancock has declined to bring an action to test the title of Patrick J. Gleason to the office of mayor of Long Island City. The applicant claimed Gleason was not a citizen when he was elected to the office. The attorney-general holds that such a proceeding as the applicants desire to be brought is not the proper method to test Gleason's title to the office.

HIGHWAYMEN FIENDS
A Young Woman Murdered in Her
Carriage Near Norristown, Pa.
HER HUSBAND BADLY WOUNDED
Robbed of All His Valuables and His Dead Wife's Body Also Riddled—Three Arrests Made in the Pelham Manor Assault.
Norristown, Pa., Oct. 29.—Murderous highwaymen did bloody work just outside the limits of this borough early last evening. Mr. and Mrs. Charles Kiser, a young couple of Norristown, were returning from an afternoon drive when, just before they reached the borough limits, two men sprang from the road side and seized the horse's head. The men were armed with revolvers and they demanded of Kiser that he turn over to them his valuables. Despite the threatening pistols, Kiser refused the demand of the highwaymen and started to whip up his horse. Thereupon the desperadoes opened fire. Kiser was shot through the arm and his wife was shot through the head and instantly killed. Undaunted by the murderous effect of their fire, the highwaymen completed their work. They dragged Kiser from the carriage and robbed him of his watch and the money he had about him. The ruffians then riddled Mrs. Kiser's body of her gold watch and made their escape. Bleeding and fainting Kiser dragged himself to a nearby house and summoned assistance. He was brought to his home here and is badly wounded. Kiser was able to give the authorities a good description of the highwaymen and the police of this borough and Philadelphia are bending every effort to capture the bandits.

PELHAM MANOR BANDITS.
Mr. Bertine Goes to New York To Try to Identify His Assassins.
Pelham Manor, N. Y., Oct. 29.—J. H. Bertine, the New York city stationer, who while on his way home in his carriage with his 15-year-old daughter and coachman, Tuesday evening, was attacked by three highwaymen at a lonely spot not far from the depot, went to New York city this morning to try to identify three men under arrest there who are believed by the police to be his assassins. His daughter, who was jumped from the carriage and escaped in the darkness at the time of the assault, will accompany him. The coachman, who deserted Mr. Bertine at the time, says that he did not run away from fear, but went for assistance. The horse, which really saved Mr. Bertine's life by tearing away from the bandits andashing down the road to its owner's home, although wounded in the head, stomach and shoulder from bullets from the robbers' revolvers, died yesterday from its injuries. Although the bandits fired a regular fusillade, Mr. Bertine received only a slight wound in the neck.
The Suspects Heavily Armed.
New York, Oct. 29.—Three men giving the names of Joseph Arlington, Joseph Chambers and Joseph Ferguson were arrested last evening at the Grand Central depot on suspicion of being the men who held up and attempted to rob J. H. Bertine at Pelham Manor. When taken to the police station in the depot and searched it was found that each man had two revolvers in his possession, one loaded and the other empty. The detectives are almost certain that these are the men wanted. Later on the men admitted that the names they had given were assumed.

Winter Apple Crop.
Springfield, Mass., Oct. 29.—Through-out the states of chief commercial production, including New England, New York, etc., the crop of winter apples is very large, according to the New England Homestead, which places the aggregate yield at a shade under 50,000,000 barrels for all of the United States, against 60,300,000 barrels in 1893 and 57,000,000 barrels two years ago. This authority says that the crop in New England, New York, Michigan and parts of a few other states is simply phenomenal.

W. R. C. Election Supper.
The 10-cent supper given in Gatslick hall Tuesday evening was well patronized and much enjoyed by all. The receipts amounted to \$14. Mrs. J. A. Burdick gave the supper and she was assisted by several members of the Woman's Relief corps. Everyone present was given a chance to vote for president. The balloting furnished considerable amusement. McKinley received 102 votes and Bryan 17.

A Lack of Patronage.
At the Drury-Lansingburg football game on the fair grounds Wednesday afternoon the gate receipts were \$7.50. The expenses of bringing the Lansingburg team here, together with printing of notices, amounted to over \$25. The Drury boys think they are justified in finding fault with the public for lack of support, and the probability is that no more games will take place in this city this season.

The full force turned out and Sheriff Frink and Moloney were also among the diners. The dinner was excellent and the officers ate heartily and afterwards smoked cigars to the health of their host.

THE TEAM WORK WINS THE GAME.
New Yorkers Had a Heavier Line but Were Unable to Score. The Drury Boys Play an Excellent Game.

The Drury football team lined up against the Lansingburg, N. Y., academy on the fair grounds Wednesday afternoon and added one more victory to its list for this season by defeating the New Yorkers by a score of 14 to 0. The game was called at 3:30 o'clock and about 250 persons were present to lend encouragement to the home team. The Lansingburg team was considerably heavier than the Drury team, but lacked much in team work. Drury had the kick-off and the ball was sent 30 yards into the Lansingburg territory. Drury obtained the ball again on downs and sent Warren and Keefe into the opponents' line for big gains each time. Within five minutes after the kick-off Warren was pushed over the line and scored the touchdown. Keefe pitched a fine goal, making the score 6 to 0 in Drury's favor. The ball changed hands several times after that, but Drury was getting the best of the contest by fierce rushes into the Lansingburg line. With one minute remaining in the first half Washington was forced over the line and the score stood 10 to 0. Keefe tried for a hard goal, but the ball struck the post and bounded back. The honors in the second half were more evenly divided. Lansingburg took a big brace and held the Drurys in check until the closing of the half, when Keefe by an excellent run placed the ball within three yards of their goal. With one rush into the center Keefe landed the ball behind the Lansingburg line for the third touch down but failed to kick a goal, leaving the score 14 to 0. For the rest of the game neither goal was threatened. Time was called with the ball in the center of the field. The game was one of the best seen on the fair grounds this year and the Drury supporters had plenty of chance to feel proud of the boys. They outplayed their opponents in every particular, showing a marked improvement over the last game. Warren, Coughlin and Robinson were obliged to leave the game on account of injuries. Warren and Keefe did fine work, while all of the boys contributed their share toward the victory. The line up was as follows:
